Several NEW positions available. (updates weekly)

---

### JOB FAIRS/CLASSES IN THE AREA

NICC is offering Intro to Welding this September.

With the skills learned in this 16-hour class, you will understand safe welding practices, become familiar with welding equipment, use basic measuring tools, and learn to weld from different positions. Once you have learned those basic skills, you'll have dedicated time to do a welding project of your choice - anything from a farm or home project to an art piece - with steel that you provide. Project size is limited and must be approved by the instructor at the first class.

This class is live for registration so please pass the word along to anyone you know that may be interested.

[https://nicc.augusoft.net/index.cfm?method=ClassInfo.ClassInformation&int\\_class\\_id=72965&int\\_category\\_id=0&int\\_sub\\_category\\_id=0&int\\_catalog\\_id=0](https://nicc.augusoft.net/index.cfm?method=ClassInfo.ClassInformation&int_class_id=72965&int_category_id=0&int_sub_category_id=0&int_catalog_id=0)

NICC will be offering the full Welding Career Pathway Certificate starting in February 2020 in Waukon.
